THE RISE OF GRU

## DESIGN YOUR OWN DUNGAREES!

Create your own dungarees with the patches below! Print this page and the next page, and glue them to a thin piece of cardboard. Once the glue is dry, use a pair of scissors to carefully cut out the patches along the dotted lines. Once they are cut out, have fun placing them in different configurations on the dungarees to create your own look. When you are happy with how it looks, you can glue the patches to the dungarees to lock your design in place!
